Checklist for Before Coming to Australia

- Apply for Working Holiday Visa (once applied can enter country within 12 months)

Some companies might sponsor you for the visa (free visa).

- Will you be working in a Hospital? Remember to apply for visa early as you will be required to do health tests, doctor statements etc.

- Before coming make sure your phone is unlocked. (Accept all SIM cards.)

- Decide where you want to fly to first?

Suggestions start in Melbourne and go up east coast.

Or start in Brisbane and go down. Don't need to double back on flights.

Or just go to Perth, WA

- Pick airline to fly with, book flights.

- Buy travel insurance, consider do I need to extend the travel insurance if you want to work multiple years in Australia (farming).

- Book accommodation:

AirBnB, Ozyoyo, Sunbristane, Gumtree, Hostels

- Have ideas on where you might want to travel to and see.

- Job Ready - Print out Paper work

- Drivers licence - Copy

- Work Visa - Copy

- Medicare – Copy (applicable to only some countries)

- Copy of your CV – email yourself.

- Remember to bring wallet, ID / Passport, phone, charger, hat/cap, clean clothes.

Once in Australia

- Get sim card: providers Vodaphone, Optus, Telstra

If you plan to go to rural areas... can only go with Telstra.

- Apply for Tax File Number (Free)

- Visit a bank, open a bank account: Commbank, ANZ, St George, SunCorp.

Set up Super Account – when you leave Australia claim it back.

- Enjoy yourself!
